President's Forward

At the time of writing, it has been almost seven months since the new management committee was elected. Since the new committee has been elected, it has faced many challenges, some of which threaten the very existence of the NSA itself. However, with the help of our dedicated volunteers and members, I am confident that Sports Boules Singapore will surmount all of these challenges and come out stronger.

As an organisation, Sports Boules Singapore is committed to achieving its vision of developing Petanque as a sport of all ages. In order to achieve this vision, the Management Committee has identified "accountability" as being the cornerstone upon which all other goals must be built. To this end, it has taken steps to rectify organisational lapses, encourage greater transparency in decision-making, as well as promote greater inclusivity by including, for the first time, a parent's representative in the Management Committee.

While we strive towards organisational excellence, our dedicated volunteers and members are also contributing to greater awareness of and participation in Petanque. Some highlights include organising local tournaments and promotional events which has engaged more than 150 participants, as well as arranging for Petanque to be played in various schools.

Our athletes and coach have also done themselves and Sports Boules Singapore proud. Under the careful guidance of Coach Anthony and much hard work at the training ground, our athletes have made significant improvements in their world rankings at the World Championship 2022 held in Denmark placing above Cambodia in the Women's Singles, above Malaysia and Philippines in the Men's Singles, and above Philippines in the Men's Doubles.

Our athletes and coach are in the midst of preparing for the 32nd SEA Games to be held in Cambodia in 2023. The immediate goal that Sports Boules Singapore is working towards as an organisation is for our athletes to qualify for the SEA Games with the ultimate objective of securing at least a podium finish. With the continued support of the Sports Boules Singapore family, I have no doubt that they will make large strides towards these goals in the coming months.

It remains for me to thank each and every member of our Sports Boules Family for their unwavering support and dedication to the sport. While it has not been easy dealing with the seemingly insurmountable challenges that the organisation is facing, we would not have made it this far without each and every one of you.

Lim Haan Hui
President, 2021/2022

About US

Sports Boules Singapore was founded in 1989 with the goal of promoting petanque as a sport for people of all ages. Its goal is to encourage people from all walks of life to live a healthy lifestyle. It organizes learn-to-play programs in collaboration with community centres, residents' committees, and corporate enterprises, as well as annual competitions for both youngsters and veterans. In Singapore, there are now over 100 petanque courts located across the city. Our athletes have medaled in most major championships throughout the world, including the Southeast Asian Games.

Vision

To be a National Sport Association reputed for developing Petanque as a sport for all

Purpose

Every player strives to be physically fit, mentally strong and socially competent in an excellence driven environment

Values

Friendship, excellence and respect

Coaches

As for coach session update, we officially offer level 1 technical coaching for public. For more information, do visit <https://www.sportsboules.org.sg/>.

We will progress slow and steadily with the number of certify coaches to cater to the Petanque players in Singapore.

Corporate Governance

Sports Boules Singapore (SBS) was registered as society in 1990 with a constitution as its governing instrument. In 2011, SBS was registered as a charity under the Charities Act (Chapter 37).

SBS is committed to high standard of corporate governance. The newly elected Board of Directors, recognise the importance of good governance in providing greater transparency to the Association's operations, as well as being critical to the effective performance of association.

Moving forward, SBS have updated a new constitution which it will be adopted once approved. SBS will focus on the following items in the upcoming FY22.

- 1) Charities Governance Evaluation Checklist
- 2) Conflict of Interest
- 3) Whistleblowing
- 4) Term limit of Executive Committee
- 5) Anti-Doping
- 6) Financial Policy
