President's Forward

While the past year has seen Sports Boules Singapore having to adapt to challenges brought on by limited resources, it has been heartening to witness the organisation and its stakeholders rallying together to meet these challenges head on.

Thanks in no small part to the enthusiasm and grit of our athletes, their parents, and volunteers, Sports Boules Singapore was able to bring the sport of Pétanque to a broad cross-section of society including the elderly in care homes, as well as young persons who have otherwise not been exposed to the sport.

Josephine also represented Singapore at the SEA Games held in Cambodia during which she gained substantial experience competing at the very top levels of the sport, and which will undoubtedly serve her, and Sports Boules Singapore well as we work towards the medium to long-term plan of achieving a medal at the SEA Games when it is held in Singapore in 2029.

At the time of writing, Coach Anthony and our athletes are hard at work preparing for the upcoming Asian Pétanque Championship 2023 which will be held in Kuala Lumpur, Malaysia from 16 August 2023 to 21 August 2023. We wish them a fruitful trip.
